

Executive Dashboard

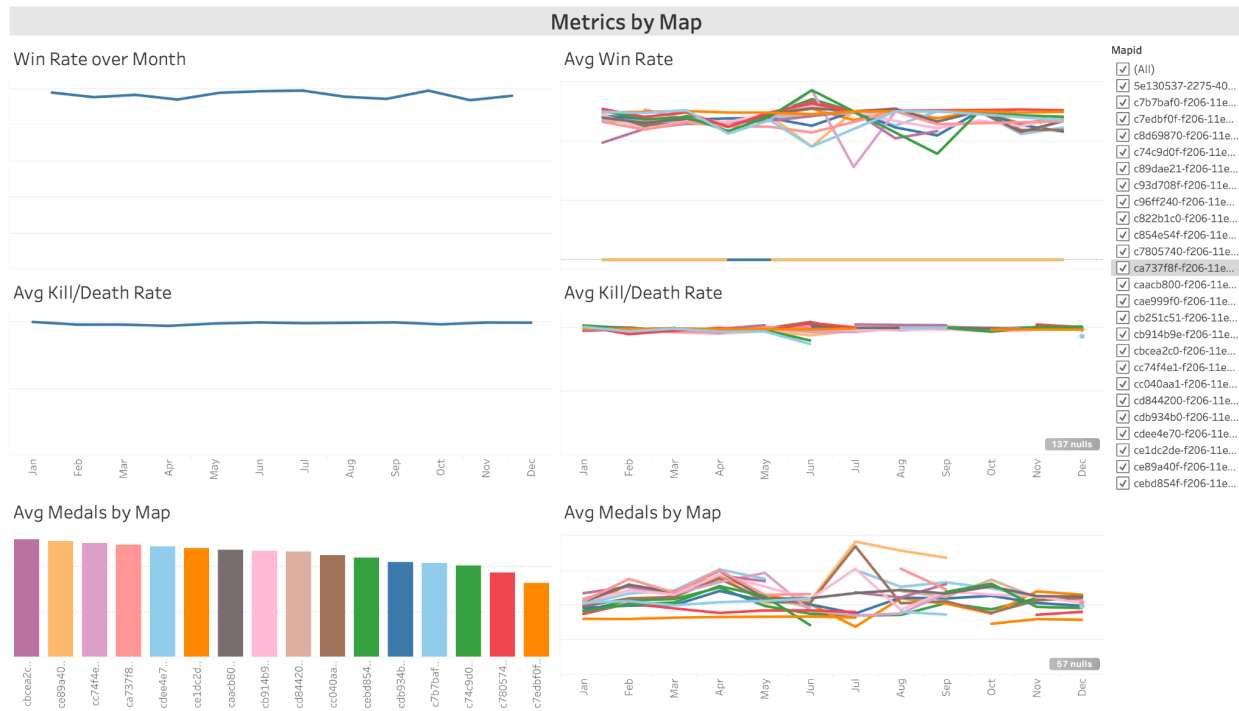

https://public.tableau.com/views/homework-execdashbord/execdashbord?:language=en-US&publish=yes&:sid=&:redirect=auth&:display_count=n&:origin=viz_share_link

This exec dashboard shows trend of medal counts over months and details of top 6 categories of medals counts. Also annotations are kept for key points.

Exploratory Dashboard

https://public.tableau.com/views/homework-exploratorydashboard/exploratorydashboard?:language=en-US&publish=yes&:sid=&:redirect=auth&:display_count=n&:origin=viz_share_link

This dashboard shows metrics (win rate, kill/death rate, medal counts) trend over months by map. Users can check the total amount and details in different maps by selecting multiple mapid.

Metrics:

Win_rate = # of wins / total # of matches

kill/death rate = # of kills / # of deaths

Medal counts
